BOARDMAN APPLIES FOR ODOT SPECIAL CITY ALLOTMENT

During their August 5, 2014 council meeting, Boardman City Councilors approved application to the Oregon Department of Transportation for a Special City Allotment. Boardman applied for construction of curbs and sidewalks for a future construction of a street which will be located between Faler Road and Chaparell Drive.

These Special City Allotments total \$1,000,000.00 in funds dispersed by the Department of Transportation to cities with a population of 5,000 or less. Forty six small cities qualify for the allotments and are to be used for street projects, not a part of the state highway system, that are inadequate, or are in a condition detrimental to safety. Each allotment will be for \$50,000.00 and will be dispersed for the 2015-2016 fiscal year.

In other city business, the city sold a parcel of land, located near the city's waste water lagoons to Umatilla Electric for a radio tower. The \$131,000.00 is earmarked for the new splash pad park project.

The next meeting of the Boardman City Council will be Tuesday, August 19, 2014 at 7pm at Boardman City Hall.
