BOARDMAN TO REVIEW UTILITY BILLING ORDINANCE

During their July council meeting, Boardman City Councilors heard concerns from residents of the newly formed Bella Vista Estates Cooperative regarding their utility bills. Bella Vista Estates, previously known as Desert Springs Estates, is a manufactured home park with 128 spaces within the city limits. Tenants of the park asked the Council to change their ordinance, which requires the city to bill property owners, to bill tenants instead.

After meeting with the city's attorney, David Blanc, Councilors made no decision on the matter. Instead the council asked for patience from the tenants to see if there was a way to update the language in the ordinance, to make it more fair and equitable for all residents of Boardman.

In other city business, Police Chief Rick Stokoe reported the month of July went well, with a few minor problems. Also, the Council heard an update on the produce stand located on NE Front Street, which is up and running.

The next meeting of the Boardman City Council will be Tuesday, August 5, 2014 at 7pm at Boardman City Hall.
