

Citizen Complaint Form - Online

This is the official form for filing a complaint against an employee of the Boardman Police Department. All complaints received will be thoroughly investigated and the citizen making the complaint will be advised of the action taken.

It is the policy of the Boardman Police Department that employees will perform their duties in a proper and legal manner. By the very nature of the business, an occasional improper contact may occur and will be corrected.

By the same token, any false or malicious citizen complaints will be investigated so that appropriate legal action may be taken. No legal action will be considered against a citizen acting in good faith. It is our goal that you will never need to use this form. We do not want to fail in our continuing efforts to give you the best possible service.
