Staff: Karen Pettigrew-City Manager, Marta Barajas-Finance Director, Rick Stokoe-Chief of Police/Assistant City Manager, Carla McLane-Planning Director

CHANGE OF AGENDA
Mayor Keefer announced the agenda would be changed for tonight’s meeting. After Other Business, would be the City Managers Report, then Police Report, then to Committee Reports.

Mayor Keefer recessed the meeting at 7:06pm and opened the public hearing.

FORMAL PROCEEDINGS
Public Hearing Declaring Surplus Property – NE Front Street Property
Mayor Keefer gave the description of the property to be declared surplus and the rules of conduct for the hearing.

Disclosure: Mayor Keefer asked councilors to disclose any ex parte contact, bias or conflicts of interest. Councilor Pierson declared a conflict of interest due to potential financial gain from the sale of the property in her capacity as a realtor and asked to recuse herself from the hearing. She was recused. Councilor Williams declared a potential conflict of interest as his new job has him searching for property to locate a new business. It was determined his employer could gain financially, but not himself directly and could participate in the hearing. Mayor Keefer asked if anyone from the audience wanted to challenge the council’s impartiality. There was none.

Correspondence: There was no additional correspondence.

Public Testimony:
In favor of the application – none.
Opposed to the application – none.
Neutral testimony – none.

Mayor Keefer closed the hearing at 7:21pm and resumed the regular meeting.

Council Deliberation
Mayor Keefer asked if any councilors had questions for the staff. Councilor Profitt questioned why the Splash Pad, the Soccer Field, parking lot, and the Dog Park are being considered surplus. City Manager Pettigrew said declaring those properties surplus does not mean it is for sale. If there was an opportunity to sell those properties, to perhaps a business needing that space, those parks could be relocated. She said it would be easier to list all of the property in this surplus rather than having to do it again. Councilor Profitt wanted to verify that the council would have a say on any sale on those properties, and the mayor assured her they would.
FINANCIAL REPORT
Month Ending July 31, 2022
Finance Director Barajas said this report is the first month of the fiscal year. There is nothing big to report. Property taxes are trickling in from the last tax season. Some of the interest rates have hit one percent. The interest rates have been creeping up slowly to 1.25 to 1.5 each month. The trend is to continue increasing. There were no questions from the council regarding the financial report.

PUBLIC COMMENT
Kathy Street- 655 SW Mt. Hood. Her comments are regarding the hiring of the new city manager. She and a friend had attended the Meet and Greet for the two candidates from a nation-wide search. There were expenses of doing a search, bringing them to Boardman and the interview process. Then it went silent until much later when the city announced they had hired the police chief and that he had filled in when the current city manager was out. That did not have any transparency, did not follow proper best models for business and she was very disappointed with that decision.

**Intergovernmental Agreement with Managing Oregon Resources Efficiently (MORE)**

City Manager Pettigrew said Morrow County would like for the city to go through this organization for  
exchange of services and/or equipment. There is a list of other counties and cities in Oregon who  
participate in which the city could exchange services and equipment. An example would be if the city has  
an emergency and is in need of a water truck, they could get the use of a water truck from Hood River if  
they participate in the MORE IGA. Morrow County has already paved a part of Wilson Road for the city.  
The MORE IGA needs signed so the county can bill the city. This is a broader-reaching IGA that includes  
Morrow County.

Councilor Williams motioned to table a vote on the IGA until the new councilors have had adequate time  
to understand the reading material. He thinks this would be inconsiderate for the new councilors not to  
be able to see the information before-hand. Councilor Profit seconded the motion. A roll call vote was  
taken: Councilor Pierson-yes; Councilor Cuevas-yes; Councilor Drago-yes; Councilor Profit-yes; Councilor  
Baumgartner-yes; Councilor Williams-yes; Mayor Keefer-yes. The motion passed 7-0. This agenda item  
will be moved to the next City Council Meeting.

**REPORTS, CORRESPONDENCE AND DISCUSSION:**

**City Manager Report**

City Manager Pettigrew gave her report to the council. She wanted to let the council know she has put  
er her name in for a city council position on the ballot in November.

**Police Report**

The mayor announced the police report was in the packet. There were no questions.

**Committee Report**

Update from the City Manager Hiring Committee. Mayor Keefer asked the council to listen to the report  
and then they would decide the direction the council will go for hiring.

Councilor Williams reported the committee is made up of himself, Councilor Profit and Councilor Pierson. 
He said the city manager will be retiring at the end of the year and she will be able to serve as a  
councilor if she wins the election without any problems.

The have met and drafted a job description and proposed a salary range of $135,000 - $165,000 a year.  
They received proposals from several recruiting firms. The committee recommends hiring SGR to find  
the new city manager. Councilor Williams recommends getting community involvement by having a
special meeting to receive input regarding the hiring of the new city manager as well as answering any questions the council may have. Councilor Pierson submitted all of the information for the council to review on a flash drive to city hall. That information can be obtained by contacting City Recorder Jenn Rollins.

Police Chief/Assistant City Manager Stokoe suggested the job description be reviewed as it currently has language which reads like the recruiting ad, rather than a job description.

Finance Director Barajas recommended the committee use the CIS job description template the city currently uses for all of its job descriptions.

Councilor Pierson would like to hear the presentation from SGR regarding their services as they are on the Zoom meeting and prepared to give the presentation tonight. Mayor Keefer wants to hear presentations from the top two recruiting firms at the next meeting, and then decide which firm to hire. He did not think it was a good idea to hear only from one of the recruiting firms at this meeting.

Councilor Pierson made a motion to utilize a recruiting agency to hire the next city manager and to remove the previous motion to hire a city manager without one. The motion was seconded by Councilor Williams. A roll call vote was taken: Councilor Pierson-yes; Councilor Cuevas-yes; Councilor Drago-yes; Councilor Profitt-yes; Councilor Baumgartner-yes; Councilor Williams-yes; Mayor Keefer-yes. The motion passed 7-0.

Mayor Keefer made a motion to direct the committee to pick the top two recruiting firms and to hear presentations from each for the council to decide which company they would like to choose. Councilor Williams seconded the motion. Councilor Pierson reiterated that all of the firms’ proposals are available at city hall. They can be requested from the city recorder. A roll call vote was taken: Councilor Pierson-yes; Councilor Cuevas-yes; Councilor Drago-yes; Councilor Profitt-yes; Councilor Baumgartner-yes; Councilor Williams-yes; Mayor Keefer-yes. The motion passed 7-0.

There was consensus to hold a special council meeting on Wednesday, September 14, 2022 at 6pm. The agenda is to include two – 15 to 20-minute presentations from the two recommended recruitment firms for the council to choose which firm to hire. The agenda is also to include the job description, the salary, and the timeline and contingency.

**The meeting was adjourned at 9:45pm.**
